CLERK'S OFFICE

Respectfully presenting petition for action of court and for cause as follows:

On November 18, 2018, the defendant was arrested at his residence at or around 3 a.m. on Chestnut Tree in the city of Novi, Michigan, on a singular charge of domestic violence by the Novi Police Department, following the alleged assault of his mother and third party custodian, Lisa Griesemer. Pretrial Services spoke to Mrs. Griesemer at approximately 0800hrs. on the date of incident, and was advised that after returning home late from an event with her husband, the defendant was present in the residence with two friends, who unknowingly had consumed mushrooms. A short time later, the defendant's behavior became erratic and incoherent, at which time, the friends divulged the substance he had consumed. The defendant made multiple attempts to leave the residence while making suicidal threats, and had to be restrained. The family made a call to 911 for medical assistance, and while waiting for EMS to arrive, the defendant punched his mother in the face, resulting in a black eye. Upon arrival of medical and police personnel, the assault was revealed, resulting in the defendant's arrest.

The defendant is scheduled to be arraigned in the 52-1 District Court, Novi, Michigan, on November 19, 2018, having been granted a Personal Recognizance bond on November 18, 2018. At this time, Pretrial Services is awaiting receipt of a formal Incident/Arrest Report.

The defendant is scheduled for a continued Preliminary Examination on December 18, 2018, concerning the Criminal Complaint before this Court.

Pretrial Services has notified Assistant United States Attorney Penny Beardslee, as well as, Defense Counsel John Meixner, Jr., of the defendant's arrest.

Further, on November 14, 2018, the defendant made a verbal admission to Pretrial Services, in the presence of defense counsel and his third party custodian, to recent use of marijuana, violation conduct which was previously addressed by the Court on July 31, 2018. Receipt of formal test results remain pending at this time.

In view of the aforementioned, and in consideration of the defendant's release conditions as noted within, it is respectfully recommended that a Bond Hearing on this matter be scheduled forthwith.

PRAYING THAT THE COURT WILL ORDER a Bond Review Hearing to be held on

November 20, at 4:00 a.m. 4:00 p.m. so that
Mr. Griesemer can answer as to why his bond should not be canceled in this matter.

United States Magistrate Judge Anthony P. Patti
